Archdiocese of Melbourne's Safeguarding Unit

Places of worship inclusion resource

An information pack for Faith Leaders to support inclusive programs, activities and ministries for a child or young person with a developmental delay or disability has been recommended by the Safeguarding Unit.

It was developed by EACH, a for-purpose organisation delivering health and support services that improve lives and strengthen communities.

Our Safeguarding Committee will review the resource and determine options for improving our practice.

Safeguarding Essentials training module.

There are still a few PLDT members who haven't completed the training module so we ask them to do so.

Please access the training here:
